PENDAHULUAN

Latar Belakang

Di dunia bisnis, jejaring atau *networking* merupakan hal yang paling penting. Badan usaha dapat menjadi besar, kuat, bahkan menjadi badan usaha kelas dunia melalui jejaring bisnis global. Manusia adalah makhluk sosial, mereka tidak dapat hidup dan berdiri tegak tanpa bantuan orang lain. Karenanya adalah hal yang wajar dalam organisasi, apabila manusia membutuhkan jejaring di antara mereka.

Saat ini organisasi telah menjadi *open system* dan terkait satu sama lain, dimana yang dikatakan proses organisasional tidak berarti hanya berputar di sekitar aktivitas organisasi, tetapi juga mempunyai peran penting dalam kehidupan bermasyarakat, baik itu dengan pemerintah, pemasok, pemodal, tim manajemen, karyawan, konsumen, dan pesaing. Dengan kata lain para *stakeholder* sangat berperan penting dalam badan usaha. Jika tujuannya adalah menjadi badan usaha kelas dunia, badan usaha harus diatur dan dipersiapkan secara organisasional tertentu
