Publication Status

Dear authors,

Through the desk evaluation, we confirmed that the scope and format of your paper has already met our criteria. Hence, it is our pleasure to inform you that your article entitled:

Analysis of Factors Affecting Adherence to Anti-Retroviral Treatment among HIV/AIDS Outpatients at the Dinoyo Public Health Centre

by: Annisa Lazuardy, Yosi Irawati Wibowo, Adji Prayitno Setiadi*

that has been RECEIVED is now undergoing the review process before published in **Advances in Biological Sciences Research (ABSR)**, by Atlantis Press Publisher, not later than the end of 2023.

Again, thank you for working with us. I believe that our collaboration will help to accelerate the global knowledge creation and sharing one step further. NRLS 2022 committee also looks forward to your final publication package. Please do not hesitate to contact us if you have any further questions.

Sincerely,

apt. Tjie Kok, S.Si., M.Si., Ph.D.
