**ABSTRACT**

*This Field Work Report was prepared for the purpose of describing the standard operation procedure (SOP) analysis at the Khendi Pitoe Park tourist café. The Khendi Pitoe Park Tour has very beautiful views, views that come from quite extensive rice fields and beautiful mountains. Of the several tourist services provided by the Khendi Pitoe Park tour, one of them is café service. Café services are also one of the important things in the operation of the Khendi Pitoe Park tour, so café employees at the Khendi Pitoe Park tour are required to always work while maintaining the quality of service and food provided to visitors in accordance with the standard operation procedure (SOP) that has been implemented. Based on observations and analysis during 4 month of field work practice, the result obtained were that some employees of the Khendi Pitoe Park café could fulfil several factors that could affect service quality. The services of the employees of the Khendi Pitoe Café, although they have shown services that meet the service quality factor need some improvements to be more optimal*
