ABSTRAK

Trend Forecast WGSN Autumn/Winter 2024/2025: “Future Terrains” berfokus pada sumber daya alam yang mulai mengalami kelangkaan yang disebabkan oleh manusia yang mengambil sumber daya secara tidak bertanggung jawab. Berdasarkan *trend forecast* tersebut, koleksi ini mengambil inspirasi dari kisah seorang tokoh bernama Armin Arlert pada serial *anime* Jepang “*Attack on Titan*”. Kisah Armin Arlert mengandung banyak pesan dan moral. Menceritakan kisahnya yang penuh dengan lika-liku dimana pada awalnya dia merupakan seseorang dengan pribadi yang lemah, malu, dan kurang percaya diri. Akan tetapi, Armin Arlert mengalami perkembangan karakter yang sangat baik dimana dia terus berjuang untuk maju dan pantang menyerah sehingga dia berubah menjadi seseorang yang kuat, tegas, dan percaya diri. Tujuan dari penelitian ini adalah merancang koleksi desain fesyen dari inspirasi dengan kata kunci perjuangan, perkembangan, dan tegas. Penelitian ini menggunakan penelitian kualitatif melalui wawancara. Visualisasi inspirasi ini direalisasikan melalui eksperimen yaitu *twisted pleat*, *piggyback pocket*, dan *cargo pocket*. Kategori busana untuk koleksi ini yaitu *citywear* dengan *shape H-line* dan *style Military Utilitarian*. Koleksi ini terdiri dari 30 desain *womenwear*, 30 desain *menswear*, dan 15 *product lifestyle*. Busana yang akan direalisasikan sebanyak 2 looks *womenswear*, 3 looks *menswear*, dan 10 *product lifestyle*. Di setiap sisi desain busana, baik pada pemilihan *shape and syle*, *material*, maupun detail menggambarkan kisah seorang tokoh bernama Armin Arlert pada serial *anime* Jepang “*Attack on Titan*”. Koleksi menghasilkan visual dari kisah Armin Arlert yang digambarkan melalui inspirasi dan *textile manipulation* yang berupa *twisted pleat*, *piggyback pocket*, dan *cargo pocket*.

ABSTRACT

WGSN Autumn/Winter 2024/2025 Trend Forecast: "Future Terrains" focuses on the scarcity of natural resources caused by humans taking resources irresponsibly. Based on the trend forecast, this collection takes inspiration from the story of a character named Armin Arlert in the Japanese anime series "Attack on Titan". Armin Arlert's story contains many messages and morals. Telling his story full of twists and turns where at first he was someone with a weak personality, shy, and lacking confidence. However, Armin Arlert experienced a very good character development where he continued to struggle to move forward and never gave up so that he turned into someone who was strong, assertive, and confident. The purpose of this research is to design a fashion design collection from inspiration with the keywords of struggle, development, and assertiveness. This research uses qualitative research through interviews. The visualization of this inspiration was realized through experiments, namely twisted pleat, piggyback pocket, and cargo pocket. The fashion category for this collection is citywear with H-line shape and Military Utilitarian style. This collection consists of 30 womenwear designs, 30 menswear designs, and 15 lifestyle products. The clothes that will be realized are 2 looks of womenswear, 3 looks of menswear, and 10 lifestyle products. On every side of the fashion design, both in the selection of shape and style, material, and details, the design will be realized.
