## **Abstrak**

Perang Dagang AS-China merupakan situasi perdagangan internasional di mana dua negara ekonomi terkuat saling menaikkan tarif untuk perdagangan barang. Perang itu sendiri sebenarnya sudah terjadi sejak lama tetapi tidak separah tahun 2018 yang dimulai oleh AS sendiri dan Presidennya saat itu, Donald Trump. Banyak pihak khawatir bahwa perang ini dapat memengaruhi perkembangan ekonomi dunia karena kedua negara tersebut merupakan sumber perdagangan bagi banyak negara. Tulisan ini akan membahas tentang bagaimana Perang Dagang AS-China dapat memengaruhi perekonomian Indonesia yang akan membawa peluang atau masalah. Penelitian dalam tulisan ini membahas tentang perekonomian Indonesia mulai dari ekspor, impor, nilai tukar dan FDI yang mungkin terpengaruh oleh Perang Dagang dengan menggunakan Uji Korelasi sebagai metode penelitian.

**Kata Kunci:** Perdagangan Internasional, Perang Dagang AS-China, FDI, Nilai Tukar, Pertumbuhan Ekonomi, Ekonomi Indonesia

## ***Abstract***

*China-US Trade War is an International Trade situation where two of the most powerful economic country increasing their tariff for trading goods to each other. The War itself occur for a long time but not as escalated as of 2018 which was started by the US itself and its President at the time, Donald Trump. Many people concern that this war may affect the world economy development since both countries are being the source of trading for many countries. This paper will discuss about how The China-US Trade War can influence Indonesia Economics which will bring either opportunity or problem. Research in this paper discusses about Indonesian Economy ranging from exports, imports, exchange rates and FDI which may be affected by Trade War using Correlation Test as research methods.*
