Abstrak

Di zaman modern saat ini masih terjadi suatu keadaan dimana masyarakat sungkan mengutarakan pendapat atau menegur teman yang perilakunya kurang baik. Keadaan ini menjadi suatu kebiasaan yang disebut *ewuh pakewuh* dalam budaya Jawa. Budaya ini mempengaruhi profesionalitas kerja individu maupun organisasi di kalangan pendidik. *Ewuh pakewuh* memiliki aspek psikologi yang erat hubungannya dengan prinsip kerukunan dan hormat yang berkaitan dengan aspek budaya organisasi maskulinitas yaitu sikap asertif. Dampak positif dari Budaya *Ewuh Pakewuh* yaitu perilaku hormat dan sopan pendidik junior kepada senior sebagai upaya untuk belajar menjadi pendidik yang baik dan profesional, mampu menyatakan pendapat, tegas serta bersikap asertif, sebaliknya dampak negatif dari Budaya *Ewuh Pakewuh* yaitu perilaku hormat dan sopan diartikan sebagai kepatuhan yang mengharuskan pendidik junior tidak bersikap asertif, takut menolak permintaan senior. Artikel ini dibuat untuk mengetahui dampak positif maupun negatif budaya *Ewuh Pakewuh* di kalangan pendidik.

Abstract

In modern times, there is still a situation where people are reluctant to express opinions or reprimand friends whose behavior is not good. This situation has become a habit called *ewuh pakewuh* in Javanese culture. This culture affects the professionalism of individual and organizational work among educators. *Ewuh pakewuh* has a psychological aspect that is closely related to the principles of harmony and respect related to aspects of masculinity organizational culture, namely assertiveness. The positive impact of the *Ewuh Pakewuh* Culture is the respectful and polite behavior of junior educators to seniors as an effort to learn to be good and professional educators, able to express opinions, be firm and assertive, on the other hand the negative impact of the *Ewuh Pakewuh* Culture is respectful and polite behavior which is defined as obedience. which requires junior educators not to be assertive, afraid to refuse seniors' requests. This article was created to find out the positive and negative impacts of *Ewuh Pakewuh* culture among educators.
