ABSTRACT

This field work report (LKL) aims to analyze the implementation of complaint handling at the Luminor Hotel Jemursari Surabaya. The field work report was prepared by carrying out practical field work at the sales & marketing department. The sales & marketing department is one of the departments that meets directly with customers. This makes the author understand the application of complaint handling through an all you can eat buffet during ramadan at the Luminor Jemursari Hotel. Handling customer complaints is important for hotels to survive. During field work practice, the author found six complaint that occurred during field work practice. Based on observations during work practices, it was found that Hotel Luminor Jemursari had implemented it in accordance with the complaint handling guidelines. Problems related to complaint handling are still being found, so improvements need to be made and recommendations provided in order to improve the quality of the Luminor Hotel
